M.O.U. of Cooperation

Between

UNIVERSITY OF ISFAHAN (I. R. of IRAN)

And

OFFENBURG UNIVERSITY OF APPLIED SCIENCES (GERMANY)

Recognizing the importance of academic research and technological cooperation between universities and research centers for achieving engagement of academic members and researchers in the domain of science and technology and in order to expand the academic relationships, the University of Isfahan and the Offenburg University of Applied Sciences have agreed on the following subjects:

- 1- To facilitate the exchange of academic members, researchers and experts for conducting research, teaching or exchange of ideas.
- 2- To provide opportunities for professors and researchers to participate in conferences, symposiums and international meetings of both universities.
- 3- To provide necessary facilities to exchange professors to spend their sabbatical leaves in each of the two universities.
- 4- To collaborate in holding joint scientific, research and technological exhibitions and conducting joint research projects.
- 5- To exchange students in the areas of mutual interest consistent with regulations of both countries and at a maximum of four students per semester.

6- To exchange information, books, academic publications, scientific and research documents, students' thesis, microfilms and computer software in the educational, research and technological areas provided that they are open to the public and not subject to confidentiality.

7 - To facilitate visit of academic members, researchers, and students of both universities.

8- To provide facilities for participation of students in sport competitions.

9- To cooperate in research and facilitate the accessibility of laboratory equipment to the other party consistent with statutory and confidentiality restrictions

10- To share information and look for opportunities to collaborate in the future.

11- The University of Isfahan announces its readiness to admit the students of the Offenburg University of Applied Sciences in Persian language programs.

12- The financing of any of the above mentioned activities shall be subjected to mutual agreements.

13- Within the framework of this M.O.U. of Cooperation, both parties can set further executive programs to agree upon the execution of the mutual agreement.

14- This M.O.U. shall remain valid for five years and shall be automatically extended for a similar term, unless any party notifies the other, six months in advance, its written intention to terminate it.

15- This M.O.U. has been signed on 1394/12/22 (Solar year) corresponding to 12.03. 2016 (Christian year) in English language, all of which are equally authentic and shall come into force upon the signature of both parties.
