

Academic Education Programs Sponsored by Ministry of Commerce PRC

A. Introduction

Degree Education Programs sponsored by the Ministry of Commerce of People's Republic of China is designed to offer one-year and two-year master programs as well as three-year doctoral programs for the purpose of educating inter-disciplinary talent working in the applied fields of government, trade, foreign affairs, agriculture, technology, education, culture and health, building intellectual capacity and facilitating the economic and social development of the recipient countries since 2008. These programs provide assistance to governmental officials, research fellows, and senior managerial personnel on their master and doctor education in China, which are fully conducted in English. Admission requirements include a bachelor's degree, relevant working experiences, and decent physical conditions, essential for the high-compact curriculum needed for the degrees.

B. Enrollment Plan
